II. INTRODUCTION AND SUMMARY OF THE CASE

COMES NOW, WE *the* PEOPLE bring this R.I.C.O. action against a vast criminal enterprise that has weaponized the U.S. financial, judicial, and child welfare systems for the purposes of trafficking, enslavement, and financial exploitation. At the core of this enterprise is JPMorgan Chase, which serves not just as a bank, but as the financial backbone of the U.S. government and global development institutions.

1. This Claim alleges that JPMorgan Chase ("The Boss"), along with several other financial institutions, knowingly aided and abetted the trafficking of innocent children by leveraging AI-optimized securities fraud. These actions were facilitated in coordination with various government agencies and contractors operating under Title IV funding, in direct support of the trafficking enterprises identified herein.

2. These acts constitute a pattern of racketeering activity involving wire fraud, financial institution fraud, obstruction of justice, human trafficking, and the use of the courts as depository institutions for laundering proceeds of crime.

3. WE *the* PEOPLE assert that the defendants have aligned themselves with corrupt and oppressive systems—those Christ identifies as the "principalities and rulers of darkness." Rather than resisting evil as commanded by Scripture, the defendants have served it, embodying the very forces believers are called to overcome. This claim identifies the defendants as agents of deception and wickedness, guilty of supporting and engaging in racism, pedophilia, tyranny, and blasphemy.

4. Citing Biblical prophecy, WE *the* PEOPLE warn that such individuals—cowards, murderers, the sexually immoral, idolaters, and liars—are destined for divine judgment

and eternal punishment. This filing serves as both a legal and spiritual indictment: those who serve evil and exploit humanity will face accountability, both in this world and the next.

"And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea." -Revelation 16:3 (KJV)

Are you paying attention?

According to the International Centre for Missing & Exploited Children (ICMEC), an estimated 8 million children go missing globally each year, though due to widespread underreporting and inconsistent data collection across countries, the true number is likely much higher.

III. BABYLON THE GREAT: THE RISE, RULE, & FALL OF U.S.A. INC.

Revelation 18

1. STAGE 1: Rise of Babylon — The System is Born (Revelation 17–18).

   (a) A Mysterious, Powerful System Rises—The Prostitute Riding the Beast:

   Babylon is depicted as a mysterious and seductive woman, a harlot, riding a terrifying

beast with seven heads and ten horns (Rev. 17:1-3). This woman is not merely a city or nation—she represents a vast, systemic empire of corruption and deception.

She embodies a corrupt global system that uses allure, wealth, and immorality to dominate and control. (b) Clothed in purple and scarlet, rich in jewels. Her dazzling appearance symbolizes immense wealth and worldly power.

"The woman was dressed in purple and scarlet, and was glittering with gold, precious stones and pearls." (Rev. 17:4)

(c) She seduces kings and controls the world through immorality and luxury. Babylon's power lies in seduction and corruption. She intoxicates kings and peoples with immorality, luxury, and false promises of eternal youth, bending them to her will (Adrenochrome Harvesting).

"The kings of the earth committed adultery with her and the inhabitants of the earth were intoxicated with the wine of her adulteries." (Rev. 17:2)

Her influence extends deeply into political, financial, and social realms—manipulating governments, societies, and economies. (d) Drunk with the Blood of the Saints (Effects of Adrenochrome). Babylon's cruelty is revealed in her bloodthirsty oppression of God's children.

"The woman was drunk with the blood of the saints, the blood of those who bore testimony to Jesus." (Rev. 17:6)

Her reign includes violent persecution, cannibalism, silencing truth, and crushing righteousness to protect her corrupt empire.

"The merchants of the earth grew rich from her excessive luxuries..." (Rev. 18:3).

Revelation 18 describes the economic power and moral decay feeding Babylon's rise. This global network fuels and profits from Babylon's sinful enterprises. (e) The modern-day manifestation of Babylon's System are U.S.A. Inc.'s global financial institutions, powerful banks, hedge funds, and international bodies—like JPMorgan Chase, the IMF, and others—who play central roles in funding and perpetuating Babylon's wealth and control. They manage vast capital flows, investments, and complex financial instruments that sustain corrupt systems worldwide. (f) Politicians, celebrities, and corporate leaders entwined with sex trafficking rings are Babylon's control, which extends into elite circles. Powerful politicians who protect corrupt and sadistic interests;

Celebrities who normalize and hide satanic worship and abuse; Corporate leaders who benefit from predatory and exploitative industries. Groups like the Epstein network, the CPS system, and the so-called 'Diddy List' represent the dark underbelly of Babylon's reach, using influence and money to cover trafficking, body harvesting, and mid evil torture. (g) Title IV Funding, enacted by the Clinton's *"Pizza Gate"* Administration, is a tool for abuse and strategic trafficking. Government programs such as Title IV funding are deceptively portrayed to support foster care and child welfare but are truly perverted to incentivize child abductions. These innocent children are then trafficked to satanic enterprises where they meet an unimaginably gruesome fait. Babylon (U.S.A. Inc.) manipulates these systems for profit and power, turning vulnerable children into commodities. Government agencies and courts rubber-stamp abuse for power and money. Artificial Intelligence (AI) systems exploit and commoditize human life. Babylon (U.S.A. Inc.) leverages cutting-edge technology—especially AI—to profile, manipulate, and commoditize human beings like property. These systems monitor, control, and exploit individuals, automating oppression and expanding Babylon's dominion beyond physical chains into digital and spiritual captivity. Babylon (U.S.A. Inc.) is not just a nation — It's a Global Enterprise. Its economic, political, technological, and spiritual tentacles reach into every corner of the earth—fulfilling the prophetic vision of Revelation's harlot riding the beast.

2. STAGE 2: Babylon's *"Golden Age"* — The World Falls for Her.

(a) *"All the nations have drunk the wine of the wrath of her immorality."* (Revelation 18:3) (b) *"She says in her heart, 'I sit as queen and will never mourn."* (Revelation 18:7). Babylon rises to global dominance—an empire cloaked in luxury, false peace, and digital enchantment. She seduces the nations with wealth, entertainment, and deception. Her power becomes unquestioned. Her sins, unchallenged. (c) She becomes untouchable—adored by celebrities, praised by politicians, and feared by the masses. Nations bow before her technologies, her currencies, her systems of control. (d) The

world becomes spiritually drunk, unable to discern good from evil. Truth is ridiculed. Lies are celebrated. (e) Trump's *"Golden Age"* of America: Merchants grow rich on the backs of the poor. Rulers stay in power by exploiting chaos. Justice is bought. (f) Elites like Trump believe they are untouchable—boasting, *"I'll never be arrested. I have people in high places."* (g) Child trafficking becomes industrialized—hidden beneath the masks of foster care, CPS, family court, pop culture, and "mental health" services—boasting, *"You'll never get another trial! Your case will never make it past opening!"* The innocent are harvested while the system pretends to care. (h) Those who cry out are silenced—called mentally ill, unhinged, extremist, or "conspiracy theorists." Prophets are mocked. Whistleblowers vanish. Survivors are gaslit into submission. (i) The justice system mutates into a weapon—protecting the predator and punishing the prey. Courtrooms become theaters. Judges become actors. (j) Human life is commodified. "…and bodies and souls of men." (Rev. 18:13). Sold in boardrooms, in courtrooms, and on screens—spiritually, sexually, economically. Souls become statistics. Bodies become products. All the while, Babylon (U.S.A. Inc.) boasts: *"I am immune to punishment. I sit as queen. I will never fall."*

But her pride is her noose. Her *golden age* is the setup for her fall.

3. STAGE 3: The Cry for Justice — Prophets Rise.

(a) *"Come out of her, My people, lest you share in her sins, lest you receive of her plagues."* (Revelation 18:4). (b) *"In her was found the blood of the prophets and of saints, and of all who were slain on the earth."* (Revelation 18:24).

At this stage, God calls His people out of Babylon—not just physically, but spiritually. He demands separation from her systems of exploitation, idolatry, and corruption. Those who remain complicit will share in her judgment. But Babylon's crimes have not gone unnoticed in Heaven. The blood of prophets, saints, and trafficked innocents begins to cry out. The voices of survivors, whistleblowers, and truth-tellers rise like incense before God. (c) In response, God raises up modern-day prophets, watchmen, and witnesses. Survivors of trafficking; Parents of stolen children; Legal advocates and researchers; Digital whistleblowers and cultural dissidents. (d) These brave voices expose the works of darkness. The trafficking under CPS, the court corruption, the AI surveillance, the abuse in foster care, and the satanic systems masked as public welfare. (e) Many are persecuted, ignored, silenced, imprisoned, or even tortured and murdered—but their cries reach the throne of God.

"And another angel came and stood at the altar, having a golden censer... And the smoke of the incense, with the prayers of the saints, ascended before God." (Revelation 8:3–4)

Then comes the turning point. This is the beginning of divine retaliation. Heaven responds to Earth's cries.

"And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and an earthquake." (Revelation 8:5)

(f) The seven angels stand ready. Each holds a trumpet—a declaration of judgment and reckoning.

"And the seven angels who had the seven trumpets prepared themselves to sound." (Revelation 8:6) The age of warnings is over. The judgments now begin.

(g) Brave voices like Virginia Giuffre (murdered, erased, defamed) and countless unnamed survivors; Parents and plaintiffs filing lawsuits against CPS, government trafficking, and child abuse rings; Legal warriors launching federal RICO claims, affidavits, and exposing judicial corruption; Whistleblowers and watchmen broadcasting the truth, even when threatened. They are not just human voices—they are divine triggers. Their testimony activates Heaven. Their pain summons judgment. WE *the* PEOPLE are the modern watchmen in this stage.

Our prayers are fuel. Our lawsuits are warfare. Our cries are being heard. The angels are not idle. They are blowing their trumpets.

4. STAGE 4: Babylon's Sudden Fall — In Only One Hour.

"Fallen! Fallen is Babylon the Great!" (Revelation 18:2)

"In one hour her doom has come!" (Rev. 18:10, 17, 19)

In a single, terrifying hour, Babylon's judgment is executed with unstoppable divine authority. The angels—God's appointed messengers and warriors—descend swiftly to carry out his decrees. Their presence is both majestic and fearsome, embodying God's righteous wrath and unyielding justice. (a) Sudden and Complete Destruction by Divine Command: God destroys Babylon suddenly—like an empire collapsing in a single hour, with no warning and no escape. At the command of the Archangel Michael and his heavenly hosts, the angelic forces unleash celestial judgment. They surround Babylon, sealing her fate. No human power or demonic alliance can prevent this collapse. The angels' trumpets sound, shaking the heavens and earth alike, signaling the irrevocable fall of the corrupt empire. (b) The Lament of the Earth's Kings, Merchants, and Elites: The kings of the earth, merchants, and global elites mourn her destruction—not out of repentance, but because their wealth, power, and blood-soaked profits vanish in an instant. The angels stand as witnesses to this lamentation, their fiery swords drawn as they watch the hypocritical cries of those who benefited from Babylon's sins. These fallen

rulers and profiteers grasp desperately at their lost fortunes, their power dissolving like smoke under the angels' piercing gaze.

"Woe! Woe to the great city... In one hour she has been brought to ruin!" (Rev. 18:10)

(c) Babylon Burns—Spiritually and Physically—Under Heavenly Wrath:
Heavenly angels pour out the bowls of wrath (Revelation 16), intensifying Babylon's destruction. Pestilence and disease descend like angelic scourges, striking the rich and powerful, who find no remedy in their wealth or technology. Fire falls from the angels' outstretched hands upon Babylon's towers and thrones, engulfing cities in flames and ash. Earthquakes shake the land under angelic command, breaking the foundations of Babylon's pride and cruelty. Lightning, flashing from angelic judgment, cracks open the skies, illuminating the dark corruption beneath; The seas turn black with oil and blood, as the angelic judgment contaminates the waterways that once fueled Babylon's commerce. Shipping lanes, once full of luxury and labor, become watery graves, witnesses to the collapse of Babylon's greed.

(d) Collapse of the AI Systems Controlling Minds and Markets: Angelic powers dismantle the spiritual and technological strongholds of Babylon's control—disrupting networks of deception and exploitation programmed into AI systems. These systems, designed to enslave humanity's minds and finances, are rendered powerless under the angels' sovereign authority. (e) The Idols of the Age Are Dethroned and Exposed: Celebrities, politicians, judges, CEOs—Babylon's false gods—are stripped of power and revealed by the angels. Their deceit and cruelty are brought into the open, their influence shattered beneath the sword of divine justice. (f) The System Begins to Unravel: Mass arrests, carried out under angelic justice, target those complicit in Babylon's wicked enterprises. Whistleblower leaks, inspired and protected by angelic intervention, reveal secrets meant to stay buried. Exploitative AI systems are dismantled, as angelic forces remove

spiritual and technological chains from humanity. Financial markets crash, shaking Babylon's foundations and causing widespread upheaval. Secret records are declassified, as angels remove the veil of deception. Judicial revolutions occur, with divine guidance restoring true justice. RICO lawsuits and testimonies bring hidden darkness into the light, empowering earthly agents of justice to fight Babylon's remnants.

(g) The Triumphant Return of Jesus—The Rider on the White Horse (Revelation 19:11-16): Amid Babylon's collapse, the heavens open and Jesus Christ returns with glorious majesty. He rides a white horse, symbolizing purity and victorious conquest. He is called faithful and true, executing judgment in righteousness. His eyes blaze like fire, and on his head are many crowns. He wears a robe dipped in blood, and his name is the word of God. The armies of heaven follow him, also riding white horses, dressed in fine linen, white and clean. From his mouth issues a sharp sword to strike down the nations. He rules with an iron scepter, striking the rebellious with divine authority. Written on His robe and thigh is the title: *King of kings and Lord of lords.* The heavenly angels proclaim His victory, and all evil trembles before Him. (h) Babylon's Fall Is

Final—A Cosmic Judgment

This fall is not just a prophecy—it is unfolding now. And WE *the* PEOPLE are co-laborers with the heavenly angels, contributing to Babylon's collapse with every truth spoken, every document filed, every lawsuit served, and every prayer lifted. The smoke of U.S.A. Inc.'s torment rises forever, an eternal reminder of divine judgment. Babylon's fall is final. Babylon will never rise again.

5. STAGE 5: Heaven Rejoices — Justice Fulfilled

"Rejoice over her, O heaven… for God has avenged you." (Revelation 18:20)

(a) Heaven's Triumphant Chorus: The heavenly hosts erupt in celebration as justice is finally done. Revelation 18:20 declares, *"Rejoice over her, O heaven, and you holy apostles and prophets, for God has judged your cause!"*

Angels, elders, and the four living creatures worship around God's throne, proclaiming His righteousness and power. Their voices are thunderous:

"Holy, holy, holy, Lord God Almighty, who was and is and is to come!" (Rev. 4:8)

The celestial realm bursts forth in praise for the vindication of the saints and the fall of Babylon.

(b) The Silence of Babylon: No more joyful sounds come from Babylon. The city that reveled in

music and luxury is now utterly silent. The revelry is forever stilled. Babylon's fall is complete — a stark testament to the cost of sin and rebellion.

"The sound of harpists and musicians, of flute players and trumpeters, will never be heard in you again."(Rev. 18:22)

(c) Babylon's Voice is Silenced Forever: Her seductive voice that deceived nations is cut off. No more lies or temptations flow from her lips, as Revelation 18:23 foretells. The harlot city's power to corrupt and enslave is gone.

"By your magic spell all the nations were led astray." (Revelation 18:23)

(d) The End of Trafficking and Exploitation: The angelic messengers declare liberation for captives and an end to the bloodshed. Human trafficking, slavery, and all forms of exploitation fueled by Babylon's greed come to a decisive end. The angels proclaim freedom and justice.

"No longer will your merchants sell the bodies and souls of mankind." (Rev. 18:13)

(e) Heaven Celebrates the Blood of the Innocent Avenged: The elders around God's throne remember the martyrs who cried out for justice. Justice flows like a river, cleansing all sorrow and sin. Their prayers are answered; their blood avenged. The heavenly worshipers join in joyful praise. *"They were each given a white robe and told to wait a little longer..."* (Rev. 6:11) *"Worthy is the Lamb who was slain, to receive power and wealth and wisdom and strength and honor and glory and praise!"* (Rev. 5:12)

(f) The Final Judgment from Heaven: The great white throne judgment is set in motion. Angels stand as ministers of God's justice, executing righteous judgment—rewarding the faithful and

casting the wicked into the lake of fire (Rev. 20:14-15). There is no escape; all secrets are revealed. *"The dead were judged according to what they had done as recorded in the books."* (Rev. 20:12)

(g) The Oppressed Vindicated and the Guilty Stripped of Power: The redeemed enter the New Jerusalem, a city prepared by God. The angels escort God's people into eternal peace and rest (Rev. 21:3). Meanwhile, Babylon's rulers, false prophets, and corrupt powers face eternal punishment (Rev. 20:10). *"I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband."* (Rev. 21:2)

(h) Heaven on Earth — The New World Order: The culmination of God's plan, heaven fully restored on earth. Revelation 21-22 paints the glorious vision. The New Jerusalem shines with the glory of God, its gates never shut, illuminated by God's presence alone (Rev. 21:23-25).

"Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and God himself will be with them as their God." (Rev. 21:3)

"He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain." (Rev. 21:4)

"The river of the water of life, clear as crystal, flows from the throne of God and of the Lamb down the middle of the great street of the city." (Rev. 22:1)

The tree of life bears fruit for healing of the nations, restoring what was lost (Rev. 22:2). There is no temple because God and the Lamb are its temple, and His servants worship Him continually (Rev. 21:22-27). This is the eternal kingdom of righteousness and peace — a world order founded on truth, justice, and divine presence, free from corruption and oppression. (i)

Jesus Foresees and We Uncover: From the prophets to the apostles, Jesus foretold these events: the fall of Babylon, the final judgment, and the new heavens and earth. Now, WE *the* PEOPLE are called to uncover His prophetic truth, to expose darkness, and to partner with Heaven in ushering in this glorious future.
